Urgent Appeal!

Who is it that will lend to Allah a goodly loan, then (Allah) will increase it manifold to his credit, and he will have (besides) a good reward. (SURAH HADID: II:1)

ONE SHOULD NEVER FAIL to realise the importance of contributing to a just and viable cause, for Allah's sake. We recognise the value of every contribution made by our Muslim brothers and sisters, individually and as a collective.

With Allah's help and then with your support, we can provide our children with a safe, secure and suitable environment to achieve what they are capable of.

We appeal to you to donate generously!

The Crisis of Our Time

OUR CHILDREN ARE the seeds of our cultivation, a wonderful embodiment of spiritual, moral and educational values. Our Values?

In the current setup the conduct of our children is largely influenced by the conduct of our schools. It is clear that state schools are lacking in academic, moral and social standards. So where are the spiritual standards?

For muslims in East London there is a growing concern in a society that encompasses an increasingly diverse culture. We have a greater responsibility to instil religious awareness in the seeds that will give fruit to our Islam, making our children contribute positively in tomorrow's society.

Al-Noor shows a promising start to our future.

Our aims are:

- to provide a balanced and comprehensive Islamic knowledge, incorporating the National Curriculum
- to promote moral and academic excellence whilst developing childrens' spiritual needs so that they are better equipped to meet the challenges and responsibilities of adult life
- to equip our children with necessary skills and experience to contribute towards the betterment of their community and society as a whole
- to promote and instil good behaviour, courtesy, and discipline in children in every aspect of the school's activities
- to bring up children with a sincere and valuable Muslim character

The Dawn of Al-Noor

ESTABLISHED IN 1997, Al-Noor Muslim Primary School is a charitable organisation serving the muslim community of East London. The trustees recognised the all important need for an education based upon Islamic traditions and values. What started as a small idea from a group of dedicated brothers has blossomed into a wonderful muslim primary school both for boys and girls.

Al-Noor Rising to its Zenith

- the current building of Al-Noor was secured in April 2000 at a cost of £500,000 and planning permission was granted later that year in August
- refurbishment of the ground and first floor was completed at a cost of £300,000
- al-Noor opened in September 2002 with just 50 children, *Alhamdulillah*
- in September 2004, four classes accommodating 100 children are being taught

Our Appeal for Your Help

The future is bright with Al-Noor

Presently the school accommodates 100 pupils. The school facilities need to be expanded urgently to accommodate the intake of pupils in September 2007. For this to happen construction work must begin immediately. The proposed plans will increase the facilities at the school to cater for 200 pupils.

To make the proposed changes, we need your generous help once again. We must raise **£436,000** by September 2006.
